

TuffPlans® Australia - Site Safety Signs - For Mitre 10 & Home Stores

TuffPlans® are pleased to announce a new product!

Site Safety Signs printed in High-Resolution Colour on Tyvek®, the same material we print our plans on.

- By Law all Building Sites require a Safety Sign to be clearly displayed at all Domestic & Commercial building sites.
- The sign design conforms to 'Australian Standard 1319' for safety signs in the workplace.
- A2 size, 420mm x 594mm.
- Extremely cost effective when compared with Corflute Signs.
- \$10.50 per sign when purchased in lots of 50, plus GST and Shipping.
- Can be supplied with four Eyelets/Grommets, one on each corner for attaching to fencing or other structures.
- Alternatively supplied without Eyelets/Grommets for stapling or nailing to fencing etc.
- Your Mitre 10 or Home Store Logo added to top left of sign.
- Supplied in lots of 26 & 50 units.
- Fields can be prefilled by us when printing at no charge if field contents are common to the 26 or 50 quantity.
- Small additional charge if fields prefilled in smaller quantities.

This order form is 'Interactive' when opened in Adobe Acrobat, data can be added via your computer keyboard, then save the form and email it to sales@tuffplans.com.au Ensure that you attach your Store Logo to the email!
