

'DigiTuff' Stock Replenishment Scheme - IHG Merchants

'DigiTuff' is the ideal media on which to print your Frame & Truss Plans as well as Load Sheets.

It's waterproof, solvent resistant, tear resistant and can be printed on *most Laser Printers and Electrostatic Copiers. Available in both A4 & A3 sizes and 125gsm, 160gsm and 190gsm weights.

The 'DigiTuff' Stock Replenishment Scheme from TuffPlans® is designed to ensure Frame & Truss Plants always have adequate DigiTuff stock on hand to print their F&T Plans.

PRICE ADVANTAGE! - By signing up to the Stock Replenishment Scheme you will be charged at a better discounted rate!

Here's how it works:

- 1 We both agree on a stock level that you wish to hold, adequate to cover a months usage of 'DigiTuff'.
- 2 One of our team will call your office in the last week of the month to check on what quantity of 'DigiTuff' stock is required to replenish the stock up to the agreed level. *NOTE: This will be replaced shortly with a simple Smartphone App!*
- 3 TuffPlans® will deliver your replenishment stock from our Australian warehouse and Invoice your 'DigiTuff' stock on the 1st of the following month.
- 4 Better Pricing! Orders below 500 sheets charged at 500 sheet rate, orders 500 and above charged at 1000 sheet rate. *** See Page 2 for Price List.*
- 5 Payment due on the last day of the following month or according to your buying group arrangements.
